

### Classroom Happenings

February was busy for everyone at Creative Beginnings! The preK class learned about Eric Carle, friendship, dinosaurs, reviewed letter sounds, and continued to work on sight words! In the coming weeks they will focus on patterns and counting by 10's! Preschool is still

working hard at being independent in daily tasks and getting ready for preK! This month they will learn about Dr. Seuss, rainbows, oceans, shapes, and continue to work on letter sounds! The weeschool class spent

February learning all about space, love/friendship, dinosaurs, and dental health! The toddlers learned about transportation, colors, names, and the older toddler friends have started putting their own nap stuff away! The infant room did lots of fun art and sensory projects and spent lots of time reading books and playing with friends!

### Winter Gear

Each classroom tries to get outside every day, please check with your child's teacher at pick up to find out if winter great needs to go home to dry properly. As always please be sure everything is labeled with your child's name. Thank you for your help!

### Featured Teacher

Say hello to Miss Brittany! Miss Brittany grew up in Biddeford and currently lives in Biddeford with her fiancé, Bre, two stepdaughters, three cats, and a brand-new puppy! Brittany worked at Creative Beginnings from 2016 until 2018.

She then went on an adventure to New Hampshire for a year. In the fall of 2019 Brittany came home to Creative Beginnings, and we were all so happy to have her back! When asked what she likes most about working here Brittany responded, "I love how everyone is here for the best interest of the kids. Everyone is kind, supportive, and clearly loves what they do. We are a big family." If Brittany was not a teacher, she would like to be an athletic trainer for middle or high school, or she would like to be the director of a recreation department. When Brittany is not at work she enjoys going on adventures with her family. They enjoy hiking, going to the beach, and hanging out at home!

### Lost and Found

We now have two lost and found bins at preschool. One is in the front cubby area near the toddler room entrance, and the other next to the cubbies in the preschool room. If you are missing items, please check the lost and found bins. Items that are not labeled will be placed in the bins. We will be emptying the lost and found bins next week! Please check for lost items!
